SUPER MARIO

There are plenty of different game mode for Mario throughout the years.

TOP 3 MARIO GAMES ARE

- Super Mario Bros. (2006)
- Super Mario Odyssey (2017)
- Mario Kart 8 Deluxe (2017)

There are other games that Mario plays such as basketball, kart, tennis, baseball and more.

SUPER MARIO BROS

This game was released on the 15th of May 2006. When it was out on Nintendo DS in 2006, it was a fresh air for the series. New mechanics and evolved the 2D side of "Super Mario" series in ways it hadn't seen in years with a brand new multiplayer mode.

"Super Mario Bros." is a sequel to the DS original for Nintendo. They added wall jumping and co-op play. As a bonus, it features some of the best level design in any "Super Mario" game.

SUPER MARIO ODYSSEY

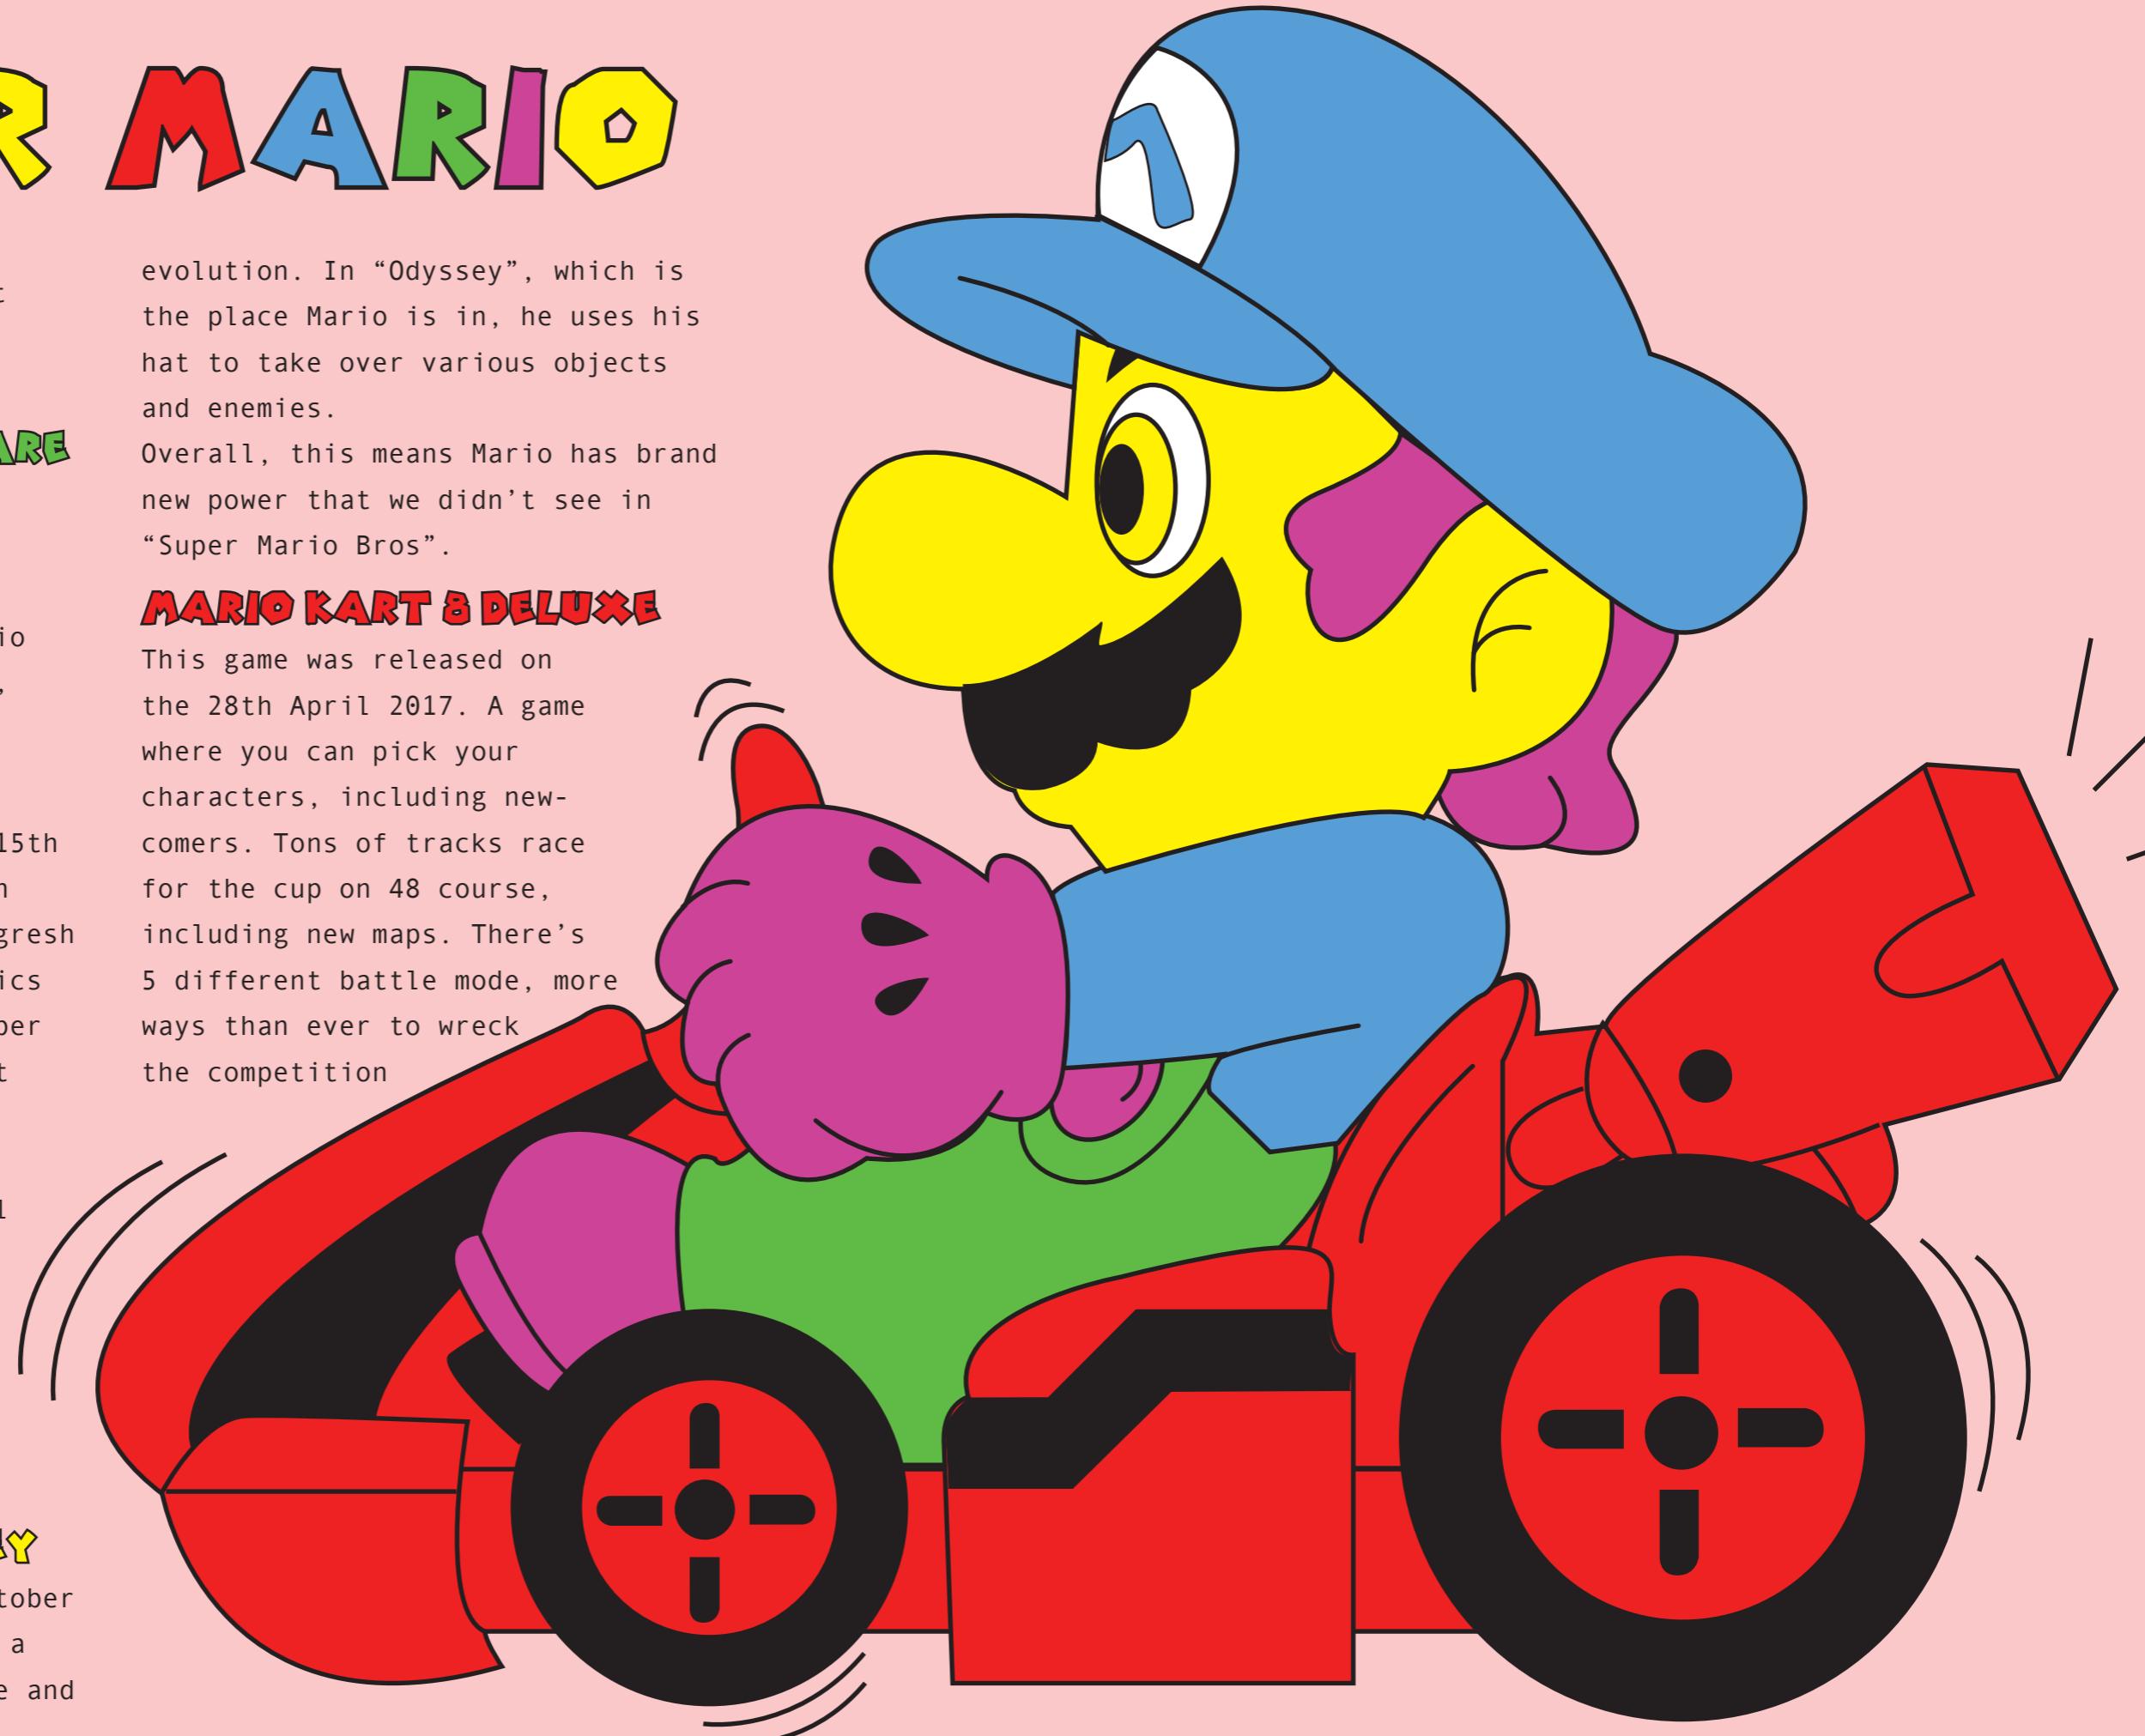

It was released on the 27th October 2017. "Super Mario Odyssey" is a excellent combination of homage and

evolution. In "Odyssey", which is the place Mario is in, he uses his hat to take over various objects and enemies.

Overall, this means Mario has brand new power that we didn't see in "Super Mario Bros".

MARIO KART 8 DELUXE

This game was released on the 28th April 2017. A game where you can pick your characters, including newcomers. Tons of tracks race for the cup on 48 course, including new maps. There's 5 different battle mode, more ways than ever to wreck the competition

KIRBY

Pink, Puffy and Powerful is how you describe Kirby. He comes from Dream Land and possesses an unique ability to replicate the abilities of enemies that he inhales. He saves Dream Land from the King Dedede. Since then, he's gone on countless other adventures and even become a force to be reckoned with in the Super Smash Bros fighting game series.

Since 1992, Kirby has appeared in different classic video games.

KIRBY STAR ALLIES

This is a new Kirby Nintendo game, it was released on the 16th March 2018. In fact this is the first Kirby game for the Nintendo Switch game and the first traditional Kirby platformer since "Kirby's Return to Dream Land" to support co-operative multiplater through the main game. In this Kirby series, he still has his traditional moves, the Inhale, Star Spit, Slide attack, Air Gun and floating. The characters move on a 2D plane in a 3D environment. In the new series of Kirby, he can turn some enemies into friends. Having friends to help Kirby, they can share elemental powers and

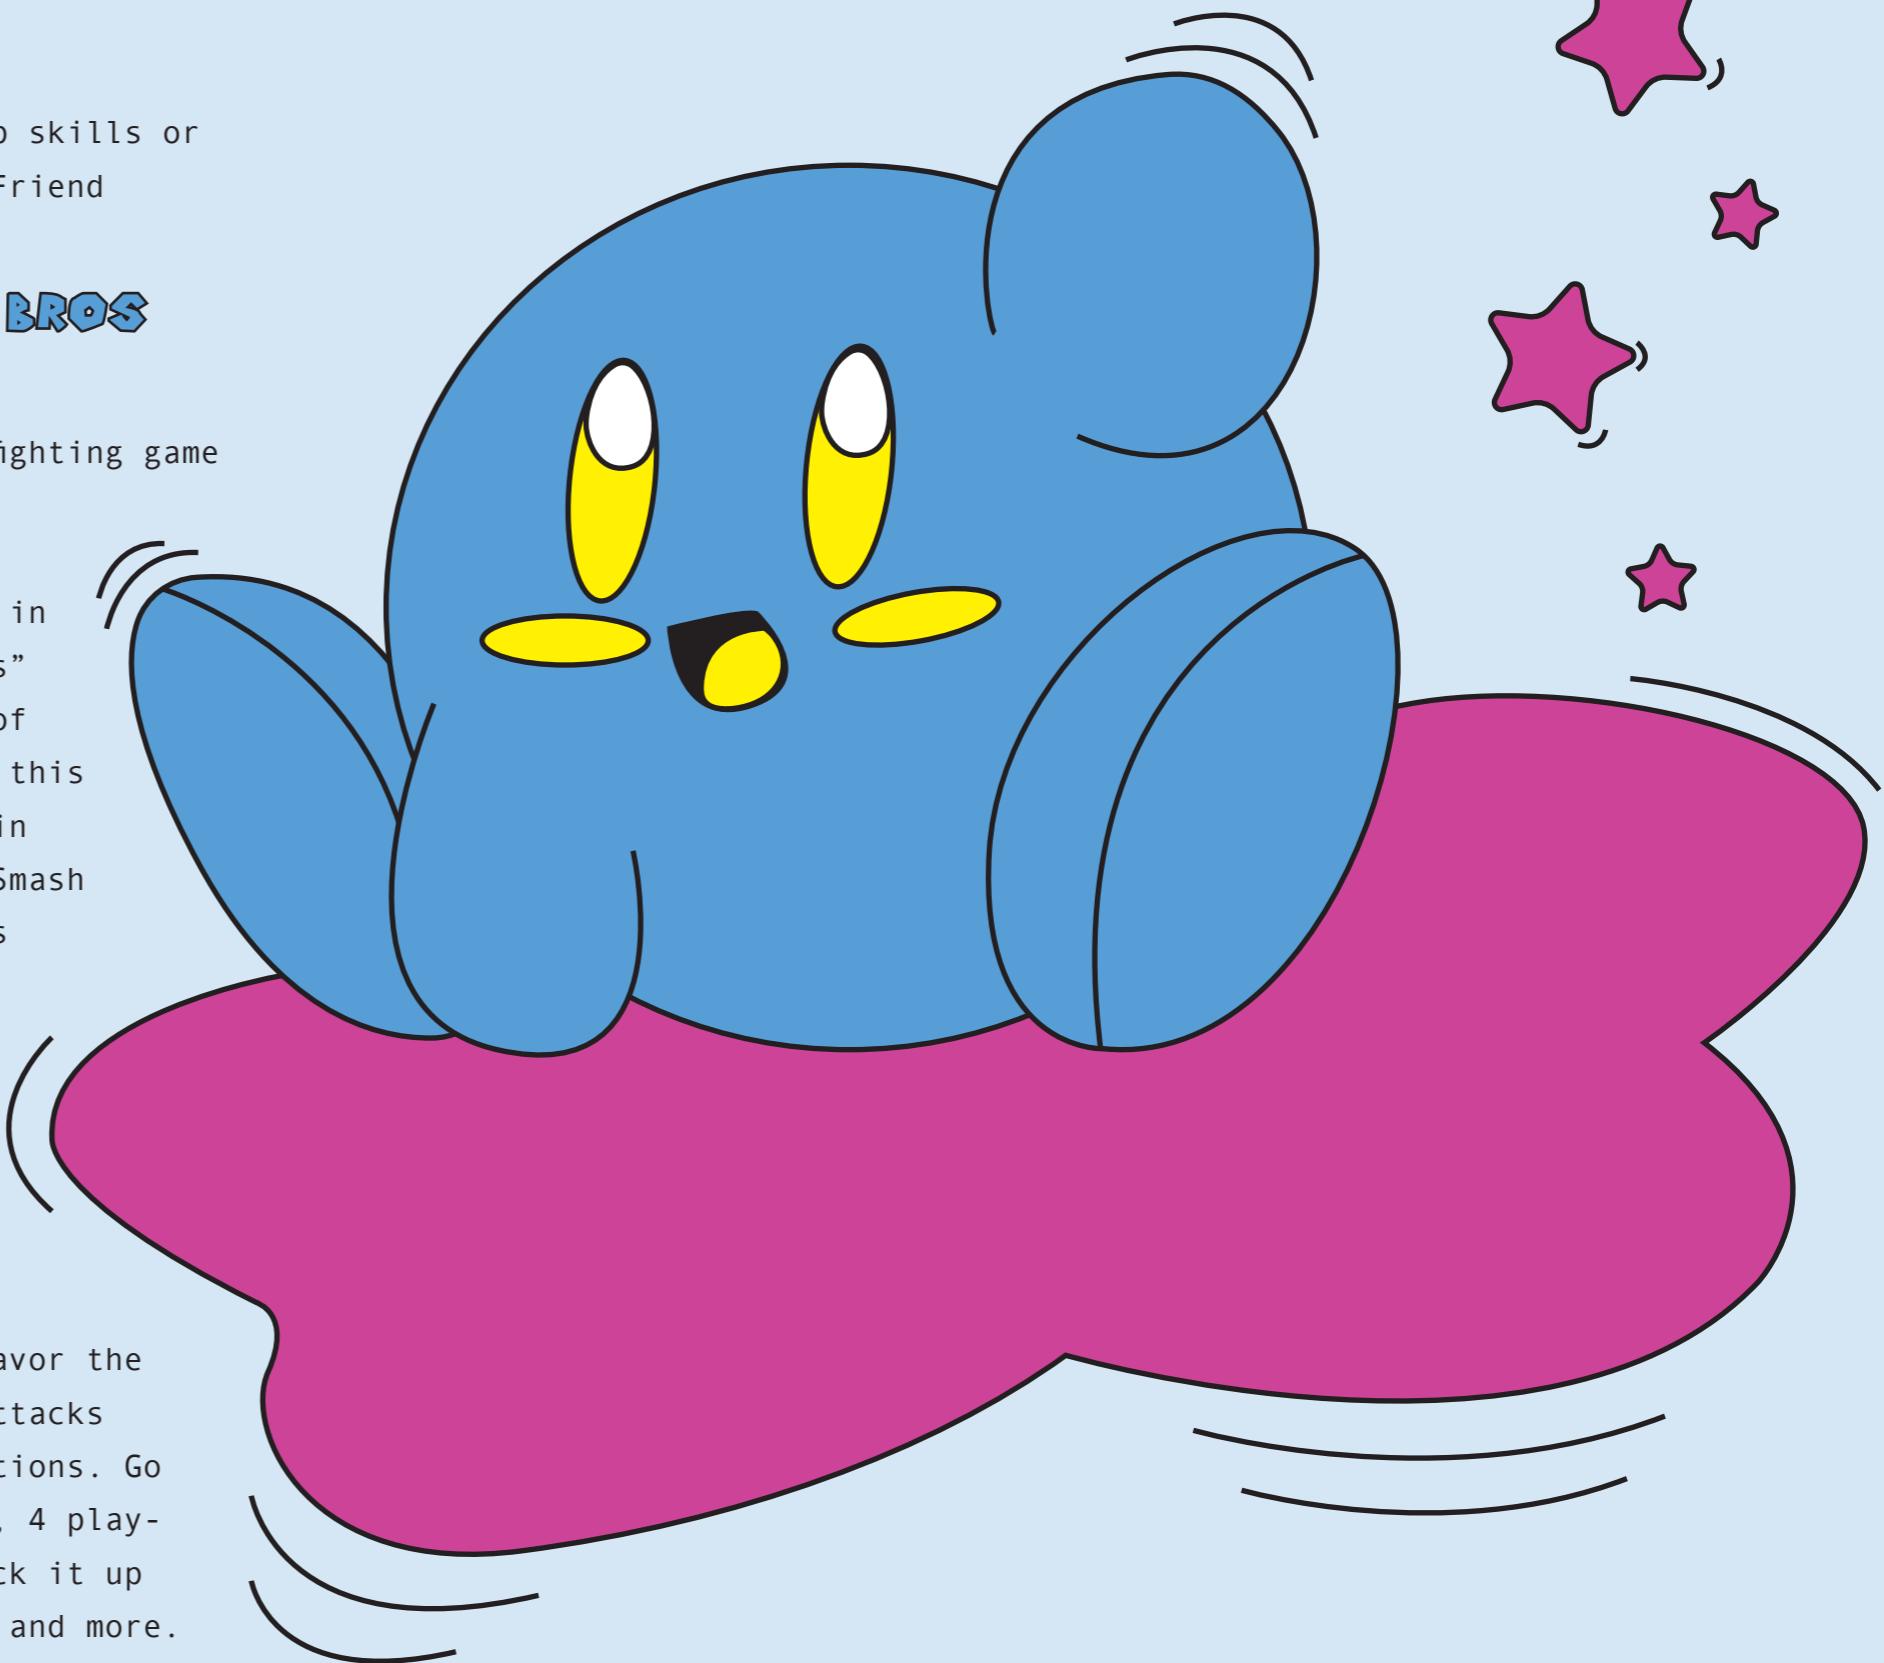

abilities to level up skills or create powerful new Friend Abilities.

SUPER SMASH BROS

ULTIMATE

This is a crossover fighting game released on the 7th December 2018. It is the fifth installment in the "Super Smash Bros" series. This is one of Kirby main games but this year Kirby is the main character in "Super Smash Bros" All his friends went under an evil spell, Kirby ends up saving his all friends and saved the universe.

This is a game where you can play locally or online, savor the faster combat, new attacks and new defense options. Go 1-on-1 with a friend, 4 players free play and kick it up to 8 players battles and more.

ANIMAL CROSSING

The first “Animal Crossing” was released on the 14th April 2001. This is a community simulation video game series developed. In the game, you are a human character living in a village inhabited by anthropomorphic animals, carrying out different activities including, fishing, bug catching and more.

ANIMAL CROSSING: POCKET CAMP

This “Animal Crossing” series was released on mobile phone on the 21st November 2017. A mobile game where your role is a campsite manager. You are in charge, so you can decorate your own campsite. The game continues the series of social simulations that allows player to interact with a small campsite with various campers, performing small tasks and decorating living spaces. You can also visit your friends’ campsite by adding them to your friend’s list.

ANIMAL CROSSING (NINTENDO SWITCH)

A new “Animal Crossing” game is coming to Nintendo Switch in 2019, they are working on the game title and haven’t released a date when it is coming out in 2019. What we are hoping in this new game series is that we can simply trade and visit friends, build a house in a friend’s town and “out of town” experience. Having a mini-games where there is a bug catching and fishing race competition. Then again, “Animal Crossing” will likely be “Animal Crossing”

POKÉMON

This year Nintendo has released two Pokémon games, Pokémon:Let's Go, Pikachu! and Pokémon:Let's Go, Eevee! Both released on the 16th November 2018.

Not only that they have the same released date but they have the same game mode. The only difference they have is that they can learn different specail moves and you can travel with

Pikachu or Eevee. Eevee had more options to boost its normal type and it's also easier to get a Pikachu in the Eevee version than it is to get an Eevee in the Pikachu version.

Both version you can't evolve Pikachu or Eevee but any Pokémon that you can will. Players will be able to trade and battle others players via local wireless and WiFi, but requires two Nintendo Switch systems and Nintendo Switch Online membership.

POKÉMON :LET'S GO, PIKACHU!
